

# contributors

scott

**Scott Trauner** writes from Connecticut, though he dreams of New Mexico everyday. His most recent work has appeared in the *New Haven Register* and *Natural New England*. Trauner's topics range from travel to interviews to the outdoors and can be read at [www.scotttrauner.com](http://www.scotttrauner.com).

montana

**Montana Wojczuk** is a poet, essayist and playwright. Her non-fiction has appeared in *Tin House*, *Portland Monthly* and *Anvil*. Her poetry has been published by *Poetry Motel*, *Tamayfhr Poetry Magazine*, *Word Riot* and others. She has received an *Academy of American Poets Prize*, *Anne Frank Literary Award* and *National History Day Award*.

jessica

**Jessica Lussenhop** is a native of St. Paul, Minnesota and a freelance writer in Philadelphia. She is a 2005 *Academy for Alternative Journalism* fellow and a 2005 *Keystone Press* award winner. If she could be one of the X-Men, she would want to be *Mystique*.

roanne

**Roanne Lewis** currently lives in Taos, New Mexico. She is a published poet, co-author of a whole foods cookbook, actor, teacher and nutritional counselor.

paddy

**Paddy Mac** is the assistant program director and music director for KTAOS Solar Radio in Taos. A recovering television sportscaster, he left behind his coat, tie and, most importantly, his blowdryer for the laidback Southern Rockies lifestyle and the opportunity to pursue his lifelong dream of identifying and cataloging various firewood splinters.

melissa

**Melissa Paul** is a literary connoisseur of diverse interests and a freelance writer currently living in Sunburst, Montana where her news reporting was recognized in both 2003 and 2004 by the *Montana Newspaper Association* for excellence in journalism. Having lived in six western states, including Colorado and Arizona, Paul says one of her hobbies is moving, although she also enjoys boating, yoga and entertaining.

Photographer **Singeli Agnew** grew up on a sheep ranch under the big Montana sky. After almost a decade in New Mexico, she is now studying documentary film at the *University of California-Berkeley*. [singeli.com](http://singeli.com)

**Michael Ferrara** is Five's content editor. He's been involved in lots of small and obscure literary projects, including co-editing *Venus Envy Magazine* and producing the spoken word CD *This Side of Everywhere*.

**Adam Schallau** is a photographer based in Taos, New Mexico. His work focuses on the unique landscapes, culture and spirit of the Southwest. Adam's passion is exploring the canyon country of the Four Corners region in search of Anasazi ruins and hidden landscapes. When he's not out shooting for himself he teaches photography and leads photography workshops. [www.recapturephoto.com](http://www.recapturephoto.com)

**Candace Leigh** is a freelance writer currently snowbirding in southernmost Florida. Her work has appeared in *The Dallas Morning News*, *Quick DFW*, and *The Rake* magazine. Candace is inspired by Dorothy Parker, Charlie Parker, and son Parker Jameson.

**John Biscello's** top five influences are Herman Hesse, Henry Miller, David Lynch, Raymond Carver and William Saroyan.

**HD Connelly** – Chronic smirker. Passion-addict. Adventure collector. Believer in fairy tales. Speaks in pictures. See the world through her eyes at [www.connellyink.com](http://www.connellyink.com).
